TurningPoint is an easy-to-use, powerful polling solution available on Mac and PC. The TurningPoint dashboard offers one, simple interface for instant management of polling, content, sessions and reports.

**Response Options**

Participants can respond with ResponseCards and mobile devices together in the same environment.

**ResponseCard Keypads**

A variety of high-quality, durable ResponseCard keypads are available to meet the needs of any learning environment.

**ResponseWare Mobile**

ResponseWare is a virtual response solution that allows participants to respond through any web-enabled device.

**Powerpoint Polling**

Deliver interactive PowerPoint presentations using seamlessly created PowerPoint slides.

**Anywhere Polling**

Poll atop web pages, videos, documents or any application using a floating interactive toolbar.

**Self-Paced Polling**

Deliver assessments, evaluations and surveys that require participants to work at their own pace.
