REPORTS

USE RESPONSE TECHNOLOGY TO:

- Motivate participant attendance, involvement and overall retention
- Instantly ensure understanding and reinforce critical concepts
- Encourage participant collaboration and assess ongoing progress
- Gather valuable data in real-time for use during and after presentations
- Involve participants with any size audience, small or large environments

TURNINGPOINT POLLING SOFTWARE

- Available for both Mac & PC
- Works with ResponseCard keypads
- Works with mobile devices via ResponseWare
- Use ResponseWare and ResponseCards together

TurningPoint
